RULE 199. DEPOSITIONS UPON ORAL EXAMINATION

199.1 Oral Examination; Alternative Methods of Conducting or Recording.

(b) **Depositions by telephone or other remote electronic means.** A party may take an oral deposition by telephone or other remote electronic means if the party gives reasonable prior written notice of intent to do so. For the purposes of these rules, an oral deposition taken by telephone or other remote electronic means is considered as having been taken in the district and at the place where the witness is located when answering the questions. The officer taking the deposition may be located with the party noticing the deposition instead of with the witness if the witness is placed under oath by a person who is present with the witness and authorized to administer oaths in that jurisdiction.

Comment to 2021 change: Rule 199.1(b) is amended in response to changes to section 154.105 of the Texas Government Code governing the administration of oaths by court reporters.
