**On Appeal from the County Civil Court at Law No. 3
Harris County, Texas
Trial Court Cause No. 685,561**

OPINION

This is an appeal from a judgment signed December 22, 1999.

On May 9, 2000, the parties filed a joint motion to “reverse the lower court judgment and enter a take nothing judgment.” This court may not enter the type of judgment requested by the parties. *See* TEX. R. APP. P. 43. In this situation, the appellate court must reverse the trial court’s judgment and remand the case to the trial court for entry of judgment in accordance with the parties’ settlement agreement. *See* TEX. R. APP. P. 43(d).

Accordingly, we grant the parties' request to reverse the trial court's judgment, but we remand the case to the trial court for further action. The judgment is reversed and the cause remanded to the trial court for entry of judgment in accordance with the parties' settlement agreement.

PER CURIAM

Judgement rendered and Opinion filed May 18, 2000.

Panel consists of Justices Amidei, Anderson, and Frost.
