Re: Texas Forensic Science Commission ("TFSC") Complaint No. 23.20 Dues, Miranda
(ExperTox; Toxicology)

Dear Ms. Dues:

At its July 21, 2023, quarterly meeting, the Commission voted to dismiss the above referenced complaint because many of the concerns articulated in your complaint were thoroughly vetted and discussed in a report adopted by the Commission at the April 2023 quarterly meeting regarding Expertox and Dr. Lykissa in a Philadelphia criminal case. Staff has previously forwarded that report to you.

Please contact us with any questions or concerns, or if you had any difficulty accessing the report.

Respectfully,

Robert Smith
