Re: Texas Forensic Science Commission Complaint No.23.55 (Houston Forensic Science Center; Forensic Biology/DNA)

Mr. Tillman:

At its October 20, 2023, quarterly meeting the Commission voted to dismiss your complaint because your case was previously reviewed and dismissed by the DNA Mixture Review Team in 2017 and the conclusory allegations of contamination without a factual basis do not warrant further investigation.

Thank you,

*Robert Smith*
