Attestation

You must check the following:

- As part of the registration process, I understand and agree to the information below:
 - Guardianships that existed before June 1, 2018 are not required to complete the guardianship training nor are they required to undergo a criminal history background check unless ordered to do so by the court.
 - There will be a check of my criminal history records. If the value of the liquid assets of the estate is \$50,000 or more, I will submit my fingerprints in accordance with directions from JBCC. It is my responsibility to timely initiate the criminal history background check. I will pay the cost of running the check on my fingerprints and the fee for criminal history reports. I must submit a copy of my fingerprinting receipt to the JBCC at jbccguardianregistration@txcourts.gov. The JBCC is not notified when I am fingerprinted, so I will need to provide the receipt.
 - I must submit complete information on the registration form for JBCC to process my registration.
 - After completing and submitting the registration information, I must also complete the Guardian Training Module available on the guardianship registration page of the [JBCC website](#).
 - If I am appointed and qualify as guardian, I have a continuing obligation to notify JBCC of any changes to registration information not later than 30 days after the change.
 - Submitting false information or omitting any required disclosures may result in the denial of my registration.
 - If I have any questions I submit them to jbccguardianregistration@txcourts.gov.
 - The JBCC does not approve or deny registrations for appointment as guardian. The JBCC conveys information from this form, criminal history record data, and confirmation of guardian training to the court with jurisdiction over the guardianship. It is the court, not the JBCC, that decides whether to approve my registration for appointment as guardian.
- I declare under penalty of perjury that the information provided in this application is true and correct.
