(3) State Consolidated Civil Fee	\$137.00
Total Filing Fees	\$350.00

I.A.2. Condemnation Proceeding (Eminent Domain Case)

Total Filing Fees	\$350.00

I.A.3. Delinquent Tax Case

Fee Type	Amount
<i>I. Statewide Required Filing Fees (Set Amounts)</i>	
(1) Local Consolidated Civil Fee (Original Civil Case)	\$213.00
(3) State Consolidated Civil Fee	\$137.00
Total Filing Fees	\$350.00

NOTE: *If the plaintiff in a delinquent tax case is “a taxing unit,” the plaintiff does not have to pay court costs, including any fees for service of process or electronic filing, an attorney ad litem, arbitration, or mediation, and may not be required to post security for costs. See [§ 33.49](#), Tex. Tax Code. “Taxing unit” means a county, an incorporated city or town (including a home-rule city), a school district, a special district or authority (including a junior college district, a hospital district, a district created by or pursuant to the Water Code, a mosquito control district, a fire prevention district, or a noxious weed control district), or any other political unit of this state, whether created by or pursuant to the constitution or a local, special, or general law, that is authorized to impose and is imposing ad valorem taxes on property even if the governing body of another political unit determines the tax rate for the unit or otherwise governs its affairs. See [§ 1.04\(12\)](#), Tex. Tax Code. (NOTE: Calculating the filing fees in a delinquent tax case is not an empty exercise because often the filing fees are assessed as a court cost against an unsuccessful defendant.).*

I.A.4. Foreign Judgment

A person filing a foreign judgment shall pay the clerk the amount provided by law for filing the case in a court in this state. See § 35.007, *Civ. Prac. & Rem. Code*.

I.A.5. Fraudulent Lien Case

Fee Type	Amount
<i>I. Statewide Required Filing Fees (Set Amount)</i>	
(13) Fraudulent Judgment Lien/ Fraudulent Lien or Claim Fee	\$350.00
Total Filing Fees	\$350.00

NOTE: *Fraudulent lien cases include all cases for which a cause of action is created in Chapter 12 of the Texas Civil Practice and Remedies Code. These cases may seek the recovery of damages. They differ from “motions for judicial review of lien/claim document” which are independent civil cases that do not seek damages and are filed under Chapter 51 of the Texas Government Code. **Do not assess this fee on motions filed for judicial review under subchapter J of Chapter 51 of the Government Code.***

I.A.6. Petition for Nondisclosure
(Other Than Under § 411.072, Gov't Code)

<u>Fee Type</u>	<u>Amount</u>
<i>I. Statewide Required Filing Fees (Set Amounts)</i>	
(1) Local Consolidated Civil Fee (Original Civil Case)	\$213.00
(3) State Consolidated Civil Fee	\$137.00
Total Filing Fees	\$350.00

NOTE: Do not assess this fee on orders issued under § 411.072, Tex. Gov't Code (Automatic Orders of Nondisclosure). Defendants do not have to file a petition for an order under § 411.072, as courts are required by law to issue the order if a defendant meets the requirements of the section. ***OCA's Model Letter Requesting an Order of Nondisclosure Under § 411.072*** is not a petition, so filing fees should not be assessed when the letter is presented or filed.

I.A.7. Order of Nondisclosure (Automatic)
(Issued Under § 411.072, Tex. Gov't Code)

Fee Type	Amount
<i>I. Statewide Required Filing Fees</i>	
<i>(Set Amounts)</i>	
(21) Fee for Order of Nondisclosure Under §411.072, Gov't Code	\$28.00
Total Filing Fee	\$28.00

NOTES: *This is the only fee required for an order under § 411.072, Tex. Gov't Code. Courts are mandated to issue this order if the petitioner meets the statutory requirements. OCA's Model Letter Requesting an Order of Nondisclosure Under § 411.072 is not a petition, so filing fees should not be assessed when the letter is presented or filed.*

I.A.8. Transfer of Case from Another County

The fee for filing a non-family-law case transferred from another county is the same fee that would have been assessed had the case been filed in the receiving court. (*See Rule 89, Tex. R. Civ. P.*)

- NOTES:**
- (a) *The fee for filing a case transferred from **another** county follows the case.*
 - (b) *This category includes cases transferred or received from **another county, not from another court in the same county.***
 - (c) *This page does not apply to a case transferred pursuant to an appeal or to a guardianship case transferred pursuant to a motion filed under Chapter 1023, Tex. Est. Code.*
 - (d) *Unpaid costs incurred prior to the filing of the case are taxed against the plaintiff. The clerk shall notify the plaintiff or his attorney that the transfer has been completed, that the filing fee in the proper court is due and payable within thirty days of the mailing of notice, and that the case may be dismissed if the filing fee is not timely paid.*

I.A.9. Motion for Judicial Review of Lien/Claim Documentation (Gov. Code Ch. 51)

(Revised 11/03/2025)

(1) Local Consolidated Civil Fee (Original Garnishment Action after Judgment)	\$213.00
(3) State Consolidated Civil Fee	\$137.00
Total Filing Fees	\$350.00

NOTES: *(a) A person must file an application for a writ of garnishment, and because the Texas Rules of Civil Procedure (see Rule 659) require the writ to be docketed in a separate suit, original filing fees are assessed.*

(b) Section 63.001, Tex. Civ. Prac. & Rem Code, and Rule 659 allow prejudgment garnishments. Some courts or clerks may assess subsequent filing fees or no fees at all on prejudgment garnishments. However, to the extent an application is filed, which the law requires for both prejudgment and post-judgment writs, filing fees are due. Ultimately, the court or clerk will determine what fees, if any, are due when the application is filed.

I.A.11. Expunction
(Effective until January 1, 2026)

Fee Type	Amount
<i>I. Statewide Required Filing Fees</i>	
<i>(Set Amounts)</i>

\$1 plus postage for each certified mailing of notice of hearing date*	
\$2 plus postage for each certified mailing of certified copies of the order*	
Total Filing Fees	x ≥ \$350.00

*If applicable, the clerk calculates the amount.

- NOTES:**
- (a) [SB 1667](#), 89(R), repealed the filing and postage fees assessed in an expunction case, including the \$350 fee for filing the petition, the \$1 plus postage for mailing the notice of hearing, and the \$2 plus postage for mailing the order. The repeal took effect September 1, 2025. (**NOTE:** [Section 51.607](#), Tex. Gov't Code, which requires new and amended costs to take effect the next January 1 after the law takes effect, does not apply to repeals.) However, in a second special session, the Legislature reversed course and reinstated the fees and postage. See [HB 16](#), 89(2), Sec. 9.10. The fees and postage, as reinstated by HB 16, took effect immediately upon the Governor's signature on September 17, 2025, but will expire on January 1, 2026, the date [Article 102.0061](#) takes effect.
 - (b) **These fees do not apply to persons who filed a petition for an expunction on or after September 1, 2025, but before September 17, 2025, as the fees and costs were repealed and not restored during this period.**
 - (c) **Do not assess these fees** if the defendant was acquitted, unless the offense for which the defendant was acquitted arose out of a criminal episode and the defendant was convicted of or remains subject to prosecution for another offense arising out of the same criminal episode, and the petition was filed no later than the 30th day after the acquittal.
 - (d) **Do not assess these fees** if the defendant is entitled to an expunction after successful completion of a veterans treatment court program or a mental health court program.
 - (e) If the court grants the expunction, the court may order the clerk to return all or part of any fee, including the additional fees plus postage, to the petitioner. See [Art.102.006\(c\)](#), Tex. Code Crim. Proc.
