

# Before the Presiding Judges of the Administrative Judicial Regions

## Per Curiam Rule 12 Decision

**APPEAL NO.:** 25-027

**RESPONDENT:** El Paso County Court Administration

**DATE:** February 9, 2026

**SPECIAL COMMITTEE:** Judge David L. Evans, Chairman; Judge Alfonso Charles; Judge Susan Brown; Judge Ray Wheless; Judge Dib Waldrip

Petitioner has submitted an appeal asserting that Respondents denied Petitioner's request for the following information:

- 1) "bailiff activity documentation and related materials" and
- 2) "judicial-area surveillance video for County Court at Law No. 7."

In response to this appeal, Respondent informed the special committee that it did not have any records responsive to the Petitioner's request. If a requested record does not exist, a Respondent's inability to produce the requested record is not a denial of access to judicial records under Rule 12.

There being no records responsive to Petitioner's request, the appeal is dismissed.
