CAUSE NO. CR-2091-21-B

STATE OF TEXAS                   §     IN THE DISTRICT COURT  
  §       
VS.                                   §     93<sup>RD</sup> DISTRICT COURT  
  §       
DAVID DAVILA SANDOVAL       §     HIDALGO COUNTY, TEXAS

**SUPPLEMENTAL CHARGE OF THE COURT**

Ladies and Gentlemen of the Jury:

You are instructed that in a large proportion of the cases, absolute certainty cannot be expected. Although the verdict must be the verdict of each individual juror, and not a mere acquiescence in the conclusion of other jurors, yet each juror should show a proper regard to the opinion of each other.

You should listen, with a disposition to be convinced, to the arguments of the other jurors. If a large number of jurors are for deciding the case one way, those in the minority should consider whether they are basing their opinion on speculation or surmise and not on the evidence in the case, keeping in mind the impression the evidence has made on a majority of the jurors of equal honesty and intellect as the minority.

Bear in mind also that if you do not reach a verdict in this case, that a mistrial will be granted and that the case can be tried again to a different jury, but that the next jury will be in no better position to decide the case than you.

Therefore, you are instructed that it is your duty to decide the case if you can conscientiously do so. You will now retire and continue your deliberations.
